

Rainbow reloaded

RAINBOW EFFECTS IN TWO UNIQUE STYLES:
CLASSIC AND STRIPED

ADVANTAGES:

- ➔ Rainbow effects in two unique styles: classic and striped
- ➔ Identical effect on both sides
- ➔ Printable with latex and UV curable inks
- ➔ Free from PVC and plasticisers, compliant with REACH regulations
- ➔ Ideal for plotter cutting
- ➔ 50 µm polyester ensures easy handling and prevents shrinkage
- ➔ Removable in one piece from glass and metal surfaces without adhesive residue
- ➔ Outdoor durability of up to three years

The Classic and the Linear. **Holographic ASLAN SE 72** and **HoloStripe ASLAN SE 74** open up possibilities for eye-catching displays with two unique variants, guaranteeing maximum attention.

These innovative metallised polyester films impress with their double-sided visible rainbow effect. Whether as cut stickers, striking lettering or large-scale applications – they create highlights on shop windows, at the point of sale, in the hospitality sector and wherever bold visual merchandising is required. Especially on glass, the double-sided effect fully unfolds, captivating both interior and exterior on smooth surfaces.

Equipped with ASLAN's proven solvent-free adhesive formula, these PVC free solutions can be removed from surfaces such as glass and metal without leaving any residue.
