SCHOOL IS COMING HOME

Self-adhesive whiteboard and blackboard films from ASLAN

Home education in its best possible way. Turning the kids rooms into classrooms without disturbing children's private space – the ASLAN white- and blackboard films not only help teaching our youngest but also bursting creativity when kids interact with it.

Self-adhesive whiteboard and blackboard films from ASLAN: easy to apply, easy to clean, scratch-resistant and optional magnetically-receptive. The easy peasy solution to burst kids creativity and teach in your home.
